- Scan the QR code at the right for access to a free copy of my eBook on presentations.

Podcasts, blogs, videos, etc.

- Check out my podcast for school administrators at www.schoolleadershipshow.com. I've interviewed several people about presentations, communication, and public speaking: Nick Morgan, Stephanie Evergreen (x2).
- Stephanie Evergreen's blog has a ton of great information: <https://stephanieevergreen.com/blog/>
- Nancy Duarte's TED talk on "[The Secret Structure of Great Talks](#)" drives home the power of story.
- Duarte's blog is pretty impressive too: <https://www.duarte.com/presentation-skills-resources/>
- Garr Reynolds's website with presentation tips (<http://www.garreynolds.com/preso-tips/>) is a classic but is still really solid.

If you're looking for help specifically around presenting data better, my friend Dr. Sheila Robinson, is a great resource. The best place to find her is at her website: www.sheilabrobinson.com/.
