**The 4 Essential Roles Leadership Series**

**MEET THE 4 ESSENTIAL ROLES OF LEADERSHIP**

Even in the most turbulent times, there are four roles leaders play that are highly predictive of success. We call them *essential*, because as leaders consciously lead themselves and their teams in alignment with these roles, they lay the foundation for effective leadership.

The 4 Essential Roles are:

1. **Inspire Trust**: Be the credible leader others choose to follow—one with both character and competence.
2. **Create Vision**: Clearly define where your team is going and how they are going to get there.
3. **Execute Strategy**: Consistently achieve results with and through others using disciplined processes.
4. **Coach Potential**: Unleash the ability of each person on your team to improve performance, solve problems, and grow their careers.
