About Us

iTutor is an Accredited Digital Learning Institute, based in Jericho, NY. As a leading provider of live, personalized online instruction for students in all grade levels, across all subjects, we partner with school districts and college-access programs throughout the U.S.

Vision
Our vision is to become a global leader in providing personalized online instruction to ALL students—regardless of circumstance.

Mission
Our mission is to provide schools and education institutions a cloud-based technology solution to enhance their offerings and drive positive student outcomes.

We Are a Proud Vendor on the Erie 1 BOCES Statewide Contract

iTutor is also an AdvancED accredited corporation meeting the highest standards of educational management.
“We take student success personally.”

Harry Aurora
Founder & CEO
